CERTIFICATE

(Issued May 14, 2001)

On March 19, 2001, Choicetel, LLC (Choicetel), filed an application for issuance of a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (2001), stating its intention to provide local exchange services in all exchanges in Iowa. The application was identified as Docket No. TCU-01-6. Initially, Choicetel stated that it proposes to provide service in the service territory of Qwest Corporation (Qwest) and concurs with the exchange service area maps of Qwest on file with the Utilities Board (Board), as they are today and as they may be changed in the future. The Qwest exchanges became the service territories covered by the certificate application.

Choicetel filed a complete revised proposed tariff on May 8, 2001, identified as TF-01-136. The proposed tariff replaced the original proposed tariff, identified as Docket No. TF-01-87. An order granting Choicetel's application, approving its

concurrence in Qwest's maps, approving waivers, and approving the tariff is being issued simultaneously with this certificate.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes Choicetel, LLC, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
